

Good News!

2011

Merry Christmas

Dear Co-Laborers In Christ,

What a tremendous theme for Christmas 2011 - GOOD NEWS! The celebration of our Savior's birth is the very source of the GOOD NEWS the angels brought to the Shepherds recorded by Luke: **"For unto you is born this day in the city of David a Saviour, which is Christ the Lord."** (Luke 2:11) This same message we proclaim in 2011 of our Savior, Jesus Christ. This GOOD NEWS, the Gospel of Jesus Christ, is desperately needed by a world living in darkness and sin.

As we enter this Christmas season and close out another year, we are certainly thankful for your **"fellowship in the GOSPEL"** (Philippians 1:5). This year has been difficult in many ways and several doors have been closed for ministry. The Airman's Outreach Program hasn't been active due to leadership. The Airman's Center on base, called the Solid Rock Café, has struggled with remaining open due to manning problems. In the past, these have been avenues of making contacts with young Airmen.

The New Year brings new opportunities and new challenges to get the GOOD NEWS to this needy mission field. We ask you to continue to pray for us and stand with us as we seek the Lord's wisdom to walk through doors that He opens. As you well know, we live in a day when our message isn't welcome or received with open arms. Yet, we know Christ is the answer for the troubles in the hearts of men and women.

Linda is doing great on her health matters. The Lord has given her discipline to eat healthier and her blood sugar is now under control. She feels better and has shed a few pounds as a result of 'being good.' Joe had a few flare ups with several issues, including vertigo, which is still bothering him. We try to work around these matters and keep going. Linda's mom is doing well, although she has lost a lot of her muscle mass and is very weak.

Have a Very Merry Christmas, everyone. We appreciate you and we would love to visit some of you in 2012. But, if not here, we have the GOOD NEWS that Jesus is coming again. **"Surely I come quickly.....Even so, come, Lord Jesus."** We'll see you there.
